Manatee County Mosquito Control District
Local Budget Amendment #3 for FY 2022-2023, May 10, 2023

The District is increasing Interest Earnings by \$100,000. The District has collected more interest revenues than what has been budgeted. Instead of having multiple budget amendments, the District is increasing its Interest Earnings account by \$100,000 to cover future interest received. We will use this additional interest revenue towards principal payments.

The District needs to purchase a radar altimeter for one of the Bell 407 helicopters. This purchase is necessary for radar to work with new equipment on the helicopter. The District is adding \$25,000 to capital outlay and using contingency funds to cover this purchase.
